

Re-Elect

Ben Small

Metuchen Board of Ed

Line 2 on the ballot

And Vote 'Yes' on the School Budget

April 20, 2010

Objective:

Ensure that all students in the Metuchen School District continue to receive an outstanding education, in a safe environment, conducive to academic excellence and the development of leadership and socialization skills.

- Measure the success of our District through the continuous review of measurable indicators (both quantitative and qualitative).
- Continue in our effort to improve the academic performance through the support of a well-balanced curriculum.
- Challenge all students with consistency in instruction.
- Ensure the continued engagement of our talented faculty and administrators.
- Maintain our focus on fiscal responsibility by closely monitoring spending and adherence to fiscal policies and controls

District Accomplishments in my first term on the Board of Ed:

- Earned accreditation from the Middle States Commission
- Completed NJ QSAC field work audit, whereby State representatives audited all aspects of the Metuchen School District – unofficial results indicate 'Highly Performing' status
- Completed the Metuchen High School construction project on time and on budget
- Advanced the District's curriculum and methods of instruction to help enhance the learning experience for all students
- Successfully developed and passed school budgets in my first two years on the Board (3rd year will be decided on April 20, 2010)
